[Applications Open for 2014 ASPET Washington Fellows Program](#)

The mission of the ASPET Washington Fellows Program is to enable developing and early career scientists interested in science policy to learn about and become more engaged in public policy issues. Applications should be submitted to Jim Bernstein, ASPET Government & Public Affairs Director, at jbernstein@aspet.org by September 1, 2013.

News from FASEB

[FASEB Accepting Entries for 2nd Annual BioArt Contest](#)

Each day, biomedical and life science investigators produce thousands of images and videos as a part of their research; however, only a few are ever seen outside of the laboratory. Sharing visually compelling research data with the public can create a sense of wonder and excitement about science. This year, FASEB will be selecting 10 winning images and two videos. Click on the above link for submission guidelines. Submissions are due Thursday, July 11, 2013.

(making your gift go twice as far) and get to our \$60,000 goal much faster! Learn more about the endowments for ASPET Awards and donate by clicking on the above link.

[Promote Your Graduate Program in Our Special Graduate Program Edition of *Explore Pharmacology*](#)

This publication will be distributed to over 1,200 undergraduate students who have a direct interest in pharmacology graduate programs. For more information and to place your advertisement, please click on the above link.
